SCHOOL: _____
ADDRESS: _____
CONTACT NAME: _____
PHONE: _____ EMAIL: _____
ESTIMATED # OF STUDENTS ATTENDING: _____ ESTIMATED # OF ADULTS ATTENDING: _____
LIST KNOWN FOOD ALLERGIES: _____

RANK YOUR PREFERRED ARRIVAL TIMES*: 8:30 am 9:00 am 9:30 am 10:00 am 10:30 am 11:00 am

* 1 = Most Preferred 6 = Least Preferred Leave times blank if unable to arrive then.

There is **no time restriction** on how long your school is allowed to stay at this event. Typical attendance lasts 2-4 hours.
Your group may leave at any time before the event concludes at 2:00 p.m.
We encourage everyone to explore the exhibits at their own pace.

Once you've completed this form, please email it to BuildMyFuture@labaonline.com

All students planning to attend must bring a Release and Waiver of Liability form signed by their parent or legal guardian on the day of the event. This waiver is available on our website and will be emailed to you once we receive this completed school registration form.

Additional information is available at www.LABAonline.com/build-my-future/

WHAT TO EXPECT

Build My Future: Driftless Area

Student Safety

At this event, students are encouraged to interact with heavy equipment and other physical activities that assume a certain level of risk. In order to attend, all students must bring a Student-Parent Liability Waiver signed by them and at least one parent or guardian. Signed waivers will be physically turned in on the morning of the event by their teachers at check-in. Students without a signed waiver cannot attend this event.

Students will be provided with various personal protective equipment (PPE) at this event and are **required** to wear them when engaging in any hands-on activities. The La Crosse Area Builders Association staff and the City of Onalaska staff are not responsible for any student injuries preventable through the use of the provided PPE. For students that wear glasses, it is recommended that they bring their own pair of safety glasses that can fit over their regular glasses, or they can request larger safety glasses at the event (as supplies last).

School Arrival & Departure

Students should be **dropped off** at the Onalaska Public Works building by any school buses or vans. Once arrived, a volunteer will escort your school inside to check in and watch the required safety presentation. There will be a designated parking lot nearby for school vehicles to park throughout the event (indicated by directional yard signs).

Students should be **picked up** at the Onalaska Omni Center by school vehicles. There is no time restriction on how long your school is allowed to stay at this event. Typical attendance lasts 2-4 hours, and we ask that all schools depart by 2:00p.m. when the activities conclude. We encourage everyone to explore the exhibits at their own pace.

School Preparation

Prior to the event date, all registered schools will be contacted by our event staff with important event reminders and information to share with your students. Please fully read over the *School Preparation Packet* once it is sent to you, which will be in the form of a Google Doc link for the most up-to-date info.

Photos & Videos

There will be professional videographers and photographers at this event. If any of your students do not wish to have their photo published, please let a volunteer know at check-in. We will provide the student(s) with a sticker to wear that will let our photographers know to exclude them. Please remind these students to have that sticker visible during the entirety of this event.
